

REMARKS

Applicant concurrently files herewith, a Request for Continued Examination, Petition for Extension of Time, and an Excess Claim Fee Letter.

Claims 1-3 and 5-22 are all of the claims presently pending in the application.

Applicant has amended claims 1 and 13 to more particularly define the claimed invention.

Applicant has added claim 22 to provide more varied protection for the claimed invention.

It is noted that the claim amendments are made only for more particularly pointing out the invention, and not for distinguishing the invention over the prior art, narrowing the claims or for any statutory requirements of patentability. Further, Applicants specifically state that no amendment to any claim herein should be construed as a disclaimer of any interest in or right to an equivalent of any element or feature of the amended claim.

Should the Examiner find the application to be other than in condition for allowance, Applicant requests the Examiner to contact the undersigned at the local telephone number listed below to discuss any other changes deemed necessary in a telephonic or personal interview.

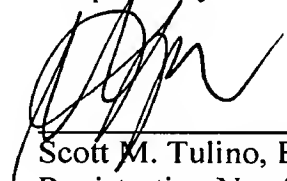

Applicant authorizes the Commissioner to charge any deficiency in fees or to credit any overpayment in fees to Attorney's Deposit Account No. 50-0481.
